AGENDA

- Discussion of the new Quality Regulation issued by the Higher Education Council of Turkey
- Planning the preparation of the 1st Koç University Self Assessment Report (KUSAR)

DECISIONS

1. Koç University Quality Commission will lead the implementation of Quality Assurance efforts in the administrative and academic units of Koç University
2. The commission will go beyond just complying with the new regulation and make sure that Quality Assurance practices become part of the university's organizational culture. To this end, the commission may perform work beyond what is necessary by the regulation
3. VPAA's Office will prepare the 1st KUSAR because of the deadline pressure. The report is due by July 1st.
