Academic Program Review Objectives

- **Defining 'Mission' and 'Vision' of the program**
(**Where** should the program aim to **go**?)
- **Assessing strengths and limitations of the program**
(**Where** is the program **now**?)
 - Using data as much as possible: Benchmarking could help – Which other universities/colleges/programs can be taken as benchmarks?
- **Developing continuous improvement plans**
(**How** will the program get there?)
 - Stakeholder views: Focus groups, advisory boards (external members), businesses and graduate schools employing our graduates
- **Teaching&Research**
